

The Admiral's Daughter

*waits down by the water. She
wants to grab your dinghy. Soft-*

est porn as I survive teens,
yearning for sex & wit while
listening to 45rpm records on

dwarf machines which smelled
hot. Industry in The Age of
Innocence. Not, but closer

than Capital Anal Rape
in the name of God.

I'll say this of Lady Liberty

she has enormous tits,
where Bu\$h-Buds engorge
like ticks.

Cynics Converse

So it was all bullshit
then? What we believed,
fought for, sacrificed...?

Utter!

I'm past giving a shit.
So, staying with it.

Then you're a tragic fool!

Bingo! But the mirror shakes

back a full laugh, not
a bitter one.
